

EVENT FACT SHEET FOR SPONSORSHIPS

ABOUT GARRETT'S SPACE

Our mission is to reduce suicides and improve the mental health of young adults with suicide and depression by filling gaps in supportive care. Currently, we are providing wellness programming and are planning for our holistically focused residential center that will serve as a haven for this population. To learn more about Garrett's Space, please visit:

www.garrettsspace.org

WHAT

Garrett's Space, a suicide prevention nonprofit, is excited to announce our fifth annual fundraiser, Go4GarrettsSpace. This year's event will bring together 250+ community members who are committed to providing hope and healing for young adults struggling with depression and anxiety. Guests will enjoy a light dinner, silent auction featuring many local businesses and artists, and a compelling program featuring testimonials from young adults with lived experience of depression and anxiety, an update on our envisioned non-medical, holistically focused residential center from co-founders Juile and Scott Halpert, and the second annual "Spirit of Garrett" award ceremony.

WHY

The mental health crisis is real in our community. Today, suicide is the second leading cause of death for young people ages 15-24 in Michigan and young adults are struggling in staggering numbers with depression and anxiety. In a recent survey 70% of young adults ages 18-24 reported being moderately or severely depressed, while another survey reported less than half of young adults with mental illness received treatment in 2021. The Garrett's Space model is designed to fill the huge gap in support options and change the quality of life for young adults in Michigan and this event will raise critical funds to support our wellness programming and the creation of our residential center. **We invite you to partner with us by sponsoring this special event.**

WHEN

Saturday, August 24, 2024, 6:00 - 9:00 p.m.

WHERE

WCC Morris Lawrence Building, 4800 E Huron River Dr, Ann Arbor, MI 48105

AUDIENCE

Anyone who is concerned with the challenges our young adults are facing today, and especially those who are struggling with mental health challenges and their loved ones, along with survivors of suicide loss.

TAX TIME

Garrett's Space is a 501(c)(3) non-profit organization. Our Tax ID is 83-2751753. We will happily provide an IRS issued 501(c)(3) verification letter and/or W-9 form upon request. All sponsorship gifts are tax-deductible to the extent allowed by law, minus the fair market value of any complimentary tickets.
